Greetings from the Board....

With 2005 behind us, we are looking forward to an exciting season for 2006. We have always expressed great dedication to our Mission and will continue to work hard to bring you excellent and exciting activities. With genuine enthusiasm, we anxiously look forward to exploring new territories and fishing techniques.

The Club's primary function is to provide informational programs and events that allow members to take advantage of the many fishing opportunities that exist in the Gulf Coast region. Members are encouraged to participate in club tournaments, fishing outings, special "how to" clinics and a number of social functions.

Our wish for you this season – May the "big one" find its way to the end of your line.

Meetings....

Meetings are held on the 3rd Wednesday of each month at 7:00 p.m., unless notified. Many of our meetings feature a guest speaker, often a professional guide or experienced angler who covers tackle selection, rigging methods and techniques that have proven successful in local waters. Our Club meetings and the QTFC Newsletter aim to provide timely and exclusive fishing, boating and social activities and important business issues.
