# FALL 2006 WEEKEND AT SPOONBILL RV RESORT

The weekend of October 6-8, 2006 turned out to be a "big catch" for everyone. Croaker, flounder, sand trout, speckled mackerel, you name it and it was caught! With only two to three members, an excellent job was done by the Food Committee. **Thanks to Joe Bradley** who fried all the chicken and fish for Saturday's dinner. Friday night turned out to be pretty cold due to the cool-front that came through, but that didn't stop some members from having a good time on the pier anyway. Saturday warmed up and members geared up their boats and off they went, all day! We had quite a few invited guests and we're hoping that they enjoyed themselves so much that they will join the club! Members and guests wound up the weekend by cleaning their catch and teaching fellow members how to clean and fillet fish.
